AVID GROUP NAMES REGIONAL MANAGER

Palm Harbor, Florida— AVID Group is pleased to announce that **David Mevers, PE** has joined the firm as Southeast Florida Regional Manager. He will initially oversee the firm's Orlando office which currently has 30 professional staff members who focus on civil engineering, planning, environmental, and surveying services. Mevers will also be responsible for spearheading the firm's plan to expand into the South Florida market in late 2007.

Prior to joining AVID, Mevers had 20 years experience in the engineering and construction fields throughout the state of Florida.

About AVID

AVID Group provides comprehensive planning and land development solutions for industrial and office park developments, mixed-use, resort and residential projects. Services include civil engineering, land planning, traffic/transportation, landscape architecture, environmental, surveying and GIS. The firm currently has offices in Palm Harbor, Orlando, Jacksonville, and Holiday, FL.
